Attention all Pharmacists!

Varenicline- PGD Training

Master Classes by Viral Doshi

This class will enhance knowledge and skills around the Varenicline PGD enabling pharmacists to supply Varenicline where clinically appropriate

Tuesday 31st October 2017

18:30-21:00pm Hatfield Fire Station

18:00-18:30pm Tea, coffee and light refreshments will be served (sorry, we cannot cater for individual dietary requirements).

FREE EVENT

Speaker is sponsored by Pfizer. Please note that, in accordance with the law and the ABPI Code of Practice, hospitality can only be extended to members of the healthcare professions and appropriate administrative staff.

Speaker Biography: Viral himself is a level 3 stop smoking advisor and holds a full NCSCT certification as a stop smoking practitioner. He updates and trains healthcare professionals including GP's, Pharmacists, Dentists and Nurses to a level 2 standard (a requirement necessary before a stop smoking clinic may be run). His role also involves the production of Patient Group Directions for smoking cessation medication and Protocols, one of which is for the direct supply of Nicotine Replacement Therapy by named professionals. He has also been invited to implement his ideas, PGD's and protocols to many other local authorities in London and around the country.

More information on how to register for the event and an agenda will be circulated shortly. If you would like to confirm your attendance, please contact Maha Elsafty by return of e-mail to: maha.elsafty@hertfordshire.gov.uk
