

NUMSAS – MAKING IT WORK LOCALLY

(NHS urgent medicine supply advanced service)

Monday 20 November 2017

7.30PM TO 9.30PM

buffet served from 7pm

Mercure Hatfield Oak Hotel, Roehyde Way, AL10 9AF

The evening will be attended with key representation from NHS England, Herts LPC and Herts Urgent Care (HUC) as follows:

- Jackie Buxton, Community Pharmacy Integration Lead, NHS England,
- Helen Musson, Executive Officer, Herts LPC
- Jane Bray, Primary Care Support Contract Manager, NHS England Midlands and East (Central Midlands)
- Icha Chandrasekharan, Lead Pharmacist, Herts Urgent Care

This training evening will assist both the pharmacies already offering the service and the pharmacies keen to deliver the service in the future.

The evening will cover all aspects of the service and will give a wider understanding from the patient's initial call to 111 and referral to community pharmacy through to completion of the paperwork and the claim.

There will be a range of presentations with plenty of opportunity for discussion around the different scenarios that pharmacies may find themselves faced with and how best to deal with these.

To book your place at the above event email your name and the name of your pharmacy to info@hertslpc.org.uk.
