

# REVALIDATION

**Monday 11 June 2018**

**7.30PM TO 9.30PM**

*Hot buffet served from 7pm*

**The View (formerly Fairway Tavern)  
Old Herts Lane, Welwyn Garden City, AL7 2ED**

Once revalidation has been fully implemented, all pharmacists and pharmacy technicians in Great Britain will complete, record and submit each year when they renew their registration:

- 4 CPD records (at least two of which must be planned learning activities)
- A peer discussion – where they reflect on their practice with someone who understands their work
- A reflective account - about how they are meeting one or more of the standards for pharmacy professionals in their practice

In each record they will need to explain how what they have done has benefited people using pharmacy services, to make sure improving the care people receive is at the heart of the process.

A representative from the Professional Development and Engagement Team, Royal Pharmaceutical Society will run their revalidation roadshow  
&

A representative from the GPhC as the regulatory body will attend to answer any queries on the night and to give the GPhC expectations

To book your place at the above event email your name and the name of your pharmacy to [info@hertslpc.org.uk](mailto:info@hertslpc.org.uk)

**Revalidation is a process which will help you to keep your professional skills and knowledge up to date. It will help you to show how you provide the safe and effective care patients and the public expect, as set out in the standards for pharmacy professionals. It provides further assurance to the people using pharmacy services that their trust in pharmacy professionals is well placed and that pharmacy professionals are continuing to meet the standards throughout their careers.**
