To book your place at this event please email info@hertslpc.org.uk

This event will celebrate the achievements of local pharmacies in 2017/18. Individual community pharmacies will be recognised on the basis of the number of interventions they made for local service delivery.

On Saturday 9 February 2019, the Falsified Medicines Directive (FMD) will go live across Europe. On that date, the entire pharmacy sector will be expected to adhere to FMD. This event will support you in preparing for implementation of FMD.
