The speaker at the event is organised and funded by Pfizer Ltd.

Please note that, under the law and the ABPI Code of Practice, Pfizer may only provide hospitality and/or promote its medicines to members of the healthcare professions and other relevant decision makers.

Speaker Biography: Viral himself is a level 3 stop smoking advisor and holds a full NCSCCT certification as a stop smoking practitioner. He updates and trains healthcare professionals including GP's, Pharmacists, Dentists and Nurses to a level 2 standard (a requirement necessary before a stop smoking clinic may be run). His role also involves the production of Patient Group Directions for smoking cessation medication and Protocols, one of which is for the direct supply of Nicotine Replacement Therapy by named professionals. He has also been invited to implement his ideas, PGD's and protocols to many other local authorities in London and around the country.

More information on how to register for the event and an agenda will be circulated shortly. If you would like to register your place, please do so via the link below.
