SUICIDE PREVENTION SHOWCASE

Friday, 9 September 2022

9:30AM - 1:00PM

Hertfordshire Development Centre
Stevenage, SG1 2FQ

Hertfordshire and West Essex ICS Wave 4 Suicide Prevention Programme funded a number of VSCE organisations to support the local community in reducing suicide. The aim of funded projects was to support people where there was an emerging risk of self-harm and suicide. These projects will be showcased alongside other work in Hertfordshire.

Find out more about:

- The new suicide bereavement service for Herts & West Essex starting in October. This service is for those bereaved or affected by suicide.
- The Suicide Prevention Training Group's campaign to encourage people to take suicide prevention training.
- New work taking place to support the mental health of the Gypsy, Roma and Traveller communities.
