

**WEBINAR - Multisector placements for Foundation Pharmacist Training in East of England**  
**1<sup>st</sup> August 2023, 13:00 to 14:30pm**  
**9<sup>th</sup> August, 19:00 to 20:30pm and 14<sup>th</sup> September, 13:00 to 14:30pm**

Inviting all stakeholders interested in hosting, developing, or enhancing their current multisector placement for foundation trainee pharmacists to an **East of England** engagement webinar.

The webinar will be hosted by the NHSE East of England, Workforce Training and Education Pharmacy Team and will cover:

- an update on the implementation of the Initial Education and Training of Pharmacists reforms in the East of England region
- aspirations of a regional provision of multisector foundation pharmacist placement to capacity
- Benefits, enablers, and challenges to multisector foundation training provision across the sectors
- Networking opportunities for collaborative working
- Regional support through the next iteration of the foundation pharmacist recruitment which is now mandatory via ORIEL.

We will identify from our discussions, the type and level of support required by stakeholders to future proof their training programme, and which will enable them to become ready to support foundation trainee pharmacists undertaking the full GPhC learning outcomes in a timely and responsive manner.

The webinar will cater for the needs of different sectors of the pharmacy profession including:

- Community pharmacy
- Hospital pharmacy
- General practice
- Health and justice
- Primary care network and
- Integrated care boards
