

Beyond Prescriptions

Experiences of community pharmacies

Pharmacies offer more than just medicine. They are often the **heart of the high street**, and the first place people can go for advice when they are unwell.

We want to hear about your experiences of using community pharmacies, and their additional services.

Survey: <https://www.smartsurvey.co.uk/s/CPHerts/>

Your feedback will help us understand how pharmacies can help you when you need it most.
