

# Have you experienced a **shortage** of your medicines?

*We want to hear from you.*

We are gathering real-life patient experiences of medicine shortages **across Hertfordshire**.

Your experience can help us understand the impact that medicine shortages are having on patients and pharmacy services, including:

Difficulties obtaining medicines

Having to visit multiple pharmacies

Delays in treatment

Needing to use an alternative medicine

Worry or inconvenience

## Please share your story

Scan the QR code below or visit the link to complete our short form.

[www.cpherts.org.uk/medicine-shortages-patient-feedback-form/](http://www.cpherts.org.uk/medicine-shortages-patient-feedback-form/)

It only takes a few minutes.

## We welcome responses from patients and pharmacy staff.

Your story will help us build a clearer picture of the local impact of medicine shortages on patients and pharmacy services **across Hertfordshire**.

*Together we can make a difference*

Real experiences. A clearer picture. Better support.
